 14-16 16-18
 18+

Step 2. Keep Informed

Promethean would like to contact you with regular Planet updates and news about exciting new resources, new product and services. Please check this option if you **do not** want us to contact you.

Promethean's select group of expert partners may wish to contact you occasionally about new products or news, please check this option if you **agree** to be contacted by third parties.

To learn how Promethean safeguards your personal information, please review our [Privacy Policy](#)

Step 3. Complete Registration

I have read and agreed to the [Terms and Conditions](#)

3. Once you have hit register, you'll be presented with the following message.

Check Your Email to Activate Your Membership

We have sent an activation message to [Email Address] . Please click the link in the email to complete your registration with Promethean Planet.

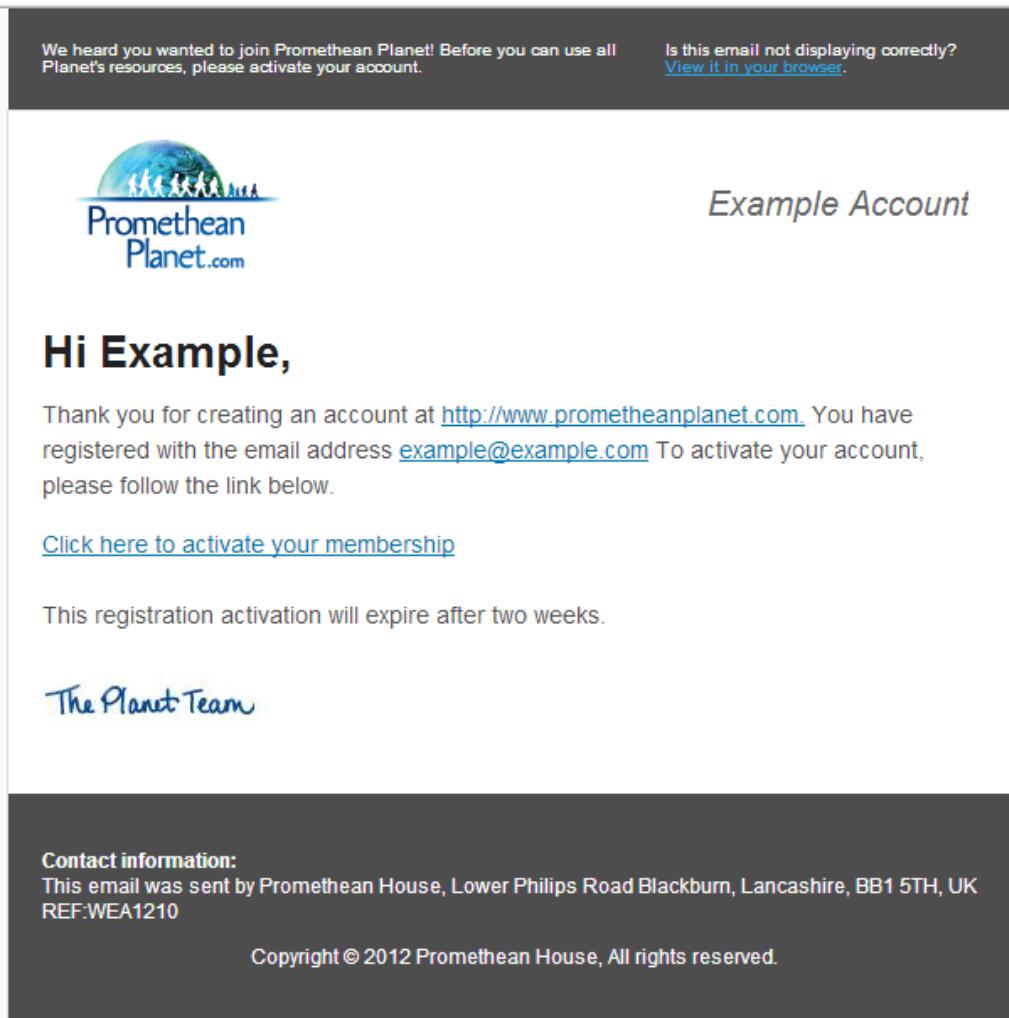

To ensure that email from Promethean Planet aren't blocked by filters on your e-mail account, please add reply@promethean-email.com to your address book or safe senders list.

See you soon!

The Planet Team

At this point you will need to check your email account for the confirmation email.

4. You will receive an email similar to this, click the link to activate you account.

5. Once you have clicked the activate link you should be taken through to the following screen.

The image shows a web page titled "Login or Register" with a yellow padlock icon. Below the title, it says "You must login to continue." A red-bordered box contains the message: "Your account has been activated successfully. Please log in now." Below this is a login form with the heading "Enter your login details below". It includes fields for "Username" (containing "Example") and "Password". There is a "Keep me logged in" checkbox and a "Login" button. To the right of the login form are two buttons: "Register" and "Forgot your ID or Password?".

6. From here you can log into your new Planet account.
